

# Hot Food Stoneboard Serving Plates

Our **Hot Food Stoneboards Serving Plates** are unique. They offer a functional and hygienic alternative to traditional wood serving plates. Ideal for the restaurant and food service industry. They resist heat up to 350°F - 180°C. They are NSF certified and have CE conformity. The Hot Food Stoneboard plates which can be used as a display surface for hot food counters, are also ideal for hot carvery, hot platters, hot pizza, hot food etc.

- **More durable than traditional wood serving plates**
- **Heat resistant to 350°F - 180°C**
- **Not suitable for contact with direct heat (grill/oven etc)**
